

BSL Power BS100WD DC-DC Converter

100W Step-Down / 24V to 14V / IP6K9K Automotive Grade

Model: BS100WD | Protection: IP6K9K | Current: 11A

1. Product Overview

High-density sealed DC-DC converter for automotive and special vehicle battery systems.

Key Performance Features:

- **IP6K9K Sealed:** High-pressure wash resistant.
- **92% Efficiency:** Minimal heat loss.
- **Ultra-Compact:** Fits tight engine or chassis spaces.

Technical Specifications

Parameter	Specification
Output Power	100W
Input Range	18 - 36 Vdc
Output Voltage	14.0 Vdc
Protection	IP6K9K
Weight	1.2 kg
