

BSL Power BS400WD DC-DC Converter

400W High Power / 24V to 14V / Sealed On-Board Converter

Model: BS400WD | Current: 28.5A | Protection: IP67

1. Product Overview

Sealed high-current converter for EV on-board systems and industrial machinery electronics.

Key Performance Features:

- **91% Efficiency:** Advanced power conversion.
- **Sealed Cooling:** Rugged thermal design.
- **Industrial Standards:** Designed for 24/7 reliability.

Technical Specifications

Parameter	Specification
Output Power	400W
Input Range	18 - 36 Vdc
Output Current	28.5 A
Protection	IP67 / IP6K9K
